

Prestige 700 Series for Men and Women

Custom Designed & Tailored Traditional Style Robes

Abbott Hall

All Prestige Pulpit Robes offer the full traditional Geneva style front, double lined sleeves with five inch cuff covered with a bell shaped outer sleeve, a eighteen piece yoke, brush braid fringe, and a back yoke carefully pleated to match the distinctive Geneva front. Prestige Pulpit robes are custom tailored and sewn to assure the proper fullness and graceful drape of the material. The **700 Series for Men** is cut more fully in the shoulders and offers more material in the sleeves. The **700 Series for Women** is tailored for the female frame with smaller shoulders and lighter tailoring in the sleeve and body for a flattering feminine silhouette. Prestige Pulpit Robes offers a choice of two closure styles - button or zipper.
