

The JUSTINE Series

Custom Designed Women's Clergy Apparel

The view of the back of the feminine styling of the Justine A122 BROC clearly demonstrates the shimmering beauty of the white brocade fabric and the high level of detail and craftsmanship given to the overall design and construction of this magnificent gown. Note how the small blue embroidered Latin Cross on the left front yoke is complimented by the blue cording running from the crest of the shoulder to the back of the garment.

All the JUSTINE Robes shown illustrate designs you may choose to purchase or use to inspire your own creative design concepts.
