

CLASSIC *SPEEDSHIP* ROBES & Coordinating Stoles

The A510 black and white robes are a perfect solution for a plain self panel robe with a traditional Geneva front. The robe has an inner sleeve with a bell outer sleeve covering a 5" cuff. Complete fluting around plain back yoke results in a comfortable fit. Available in Liberty fabric only. The NPG26 is a Speedship gown with the velveteen meeting in the front. Full zipper is hidden by the velveteen. Double bell sleeve with cuff.
