BRASS

Personal, useful and meaningful accessories are an integral part of your message and service to your church members. The following pages include some of Sudbury Brass Goods Company's more popular communion individual pastor sets as well as some personal jewelry such as their sterling silver and gold plated sterling pectoral crosses. For the more liturgical services we have also included bishop's croziers. Sudbury quality is unsurpassed and earns them the distinction of the Hallmark of Excellence.

PASTORAL STAFF/CROZIER SOLID BRASS CROZIER

The sign of the Cross is incorporated into the shepherds' crook of these pastoral staff/crozier. They indicate Pastoral leadership and ecclesiastical authority. The top is beautifully fashioned from one piece brass.
