

# BACHELORS and MASTERS Academic Gowns

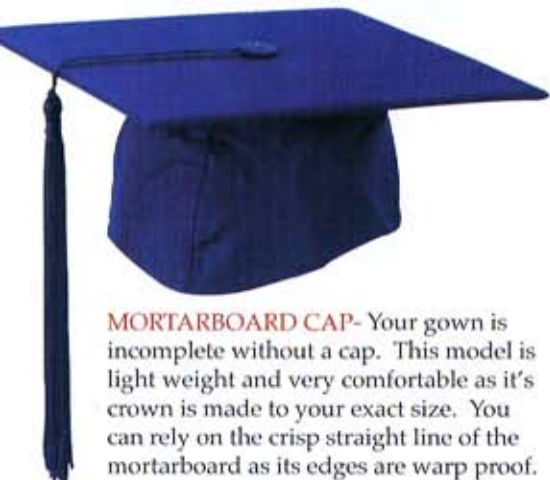

A

B

**A MASTER GOWN-** A graceful sleeve is the Master's Mark. It opens at the wrist after falling from the shoulder in a straight drape. The wrist opening is cut in a diagonal arch giving a tapered effect. This model may be worn open or closed. When closed, a hidden zipper provides a smooth front. A button and cord holds it closed when the zipper is open.

**B BACHELOR GOWN-** The front has full pleats and uniform fluting over the straight draped sleeves taper to a point giving the gown it's distinctive look. Always worn closed, this traditional gown comes with a full zipper. Women may purchase a tailored white collar.

**HONORS & TASSELS-** Academic tassels and doctors gold bullion available. Class honors, stoles and mascot stoles are also available.

**MORTARBOARD CAP-** Your gown is incomplete without a cap. This model is light weight and very comfortable as it's crown is made to your exact size. You can rely on the crisp straight line of the mortarboard as its edges are warp proof.

**DOCTORS VELVET TAM-** A soft velvet tam is available four sided or eight sided. Appropriate gold bullion tassel is usually worn with the doctors velvet tam. Also Available in 6 sided.
