

OXFORD and MONACO

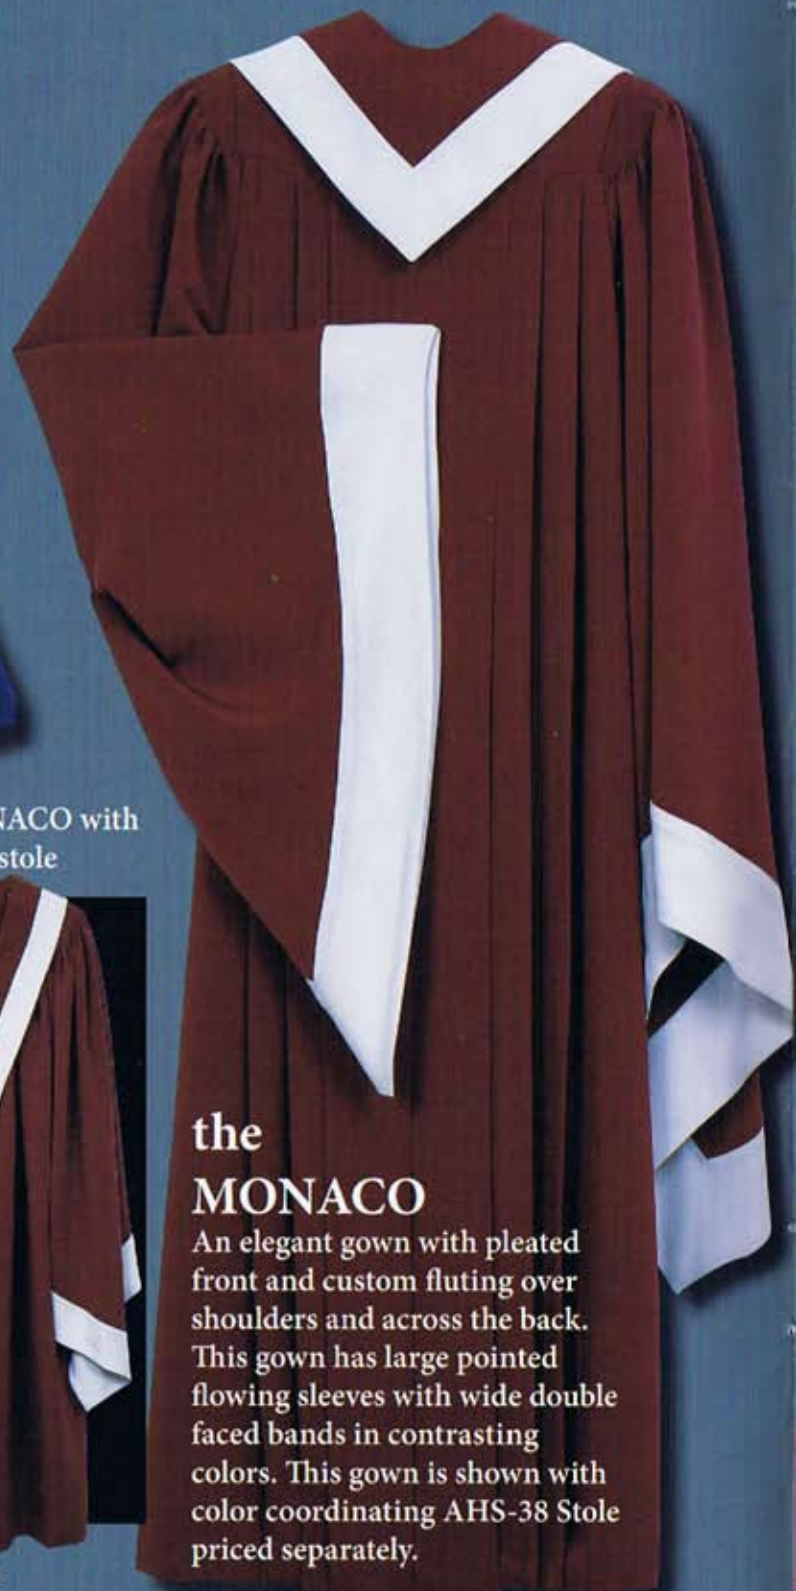

the OXFORD

A complete ensemble with contrasting colors on upper sleeve, yoke and lower half of attached tunic. A custom fluted gown, it features a double "cross over" yoke with velcro closure. Coordinating or contrasting band made from patterned fabric to highlight the division of colors. Embroidery appropriate on attached tunic or yoke. Gown has open sleeves.

Back of MONACO with AS-38 stole

the MONACO

An elegant gown with pleated front and custom fluting over shoulders and across the back. This gown has large pointed flowing sleeves with wide double faced bands in contrasting colors. This gown is shown with color coordinating AHS-38 Stole priced separately.
