

## the CORONATION

Shown here in SILVER LIBERTY. Take time to notice the fine detailed fluting along the outside edge of the yoke. The fluting comes cascading over the shoulders, from the back, up to the twin center panels in front. This finely made choir gown has a deep hem.

—a trade mark of Abbott Hall™ quality.

See page 3, the  
Coronation  
shown with  
Stole AHS 1P .

## the COURTIER

Classic full  
double pleats
