

the REGAL collection

Abbott
Hall™

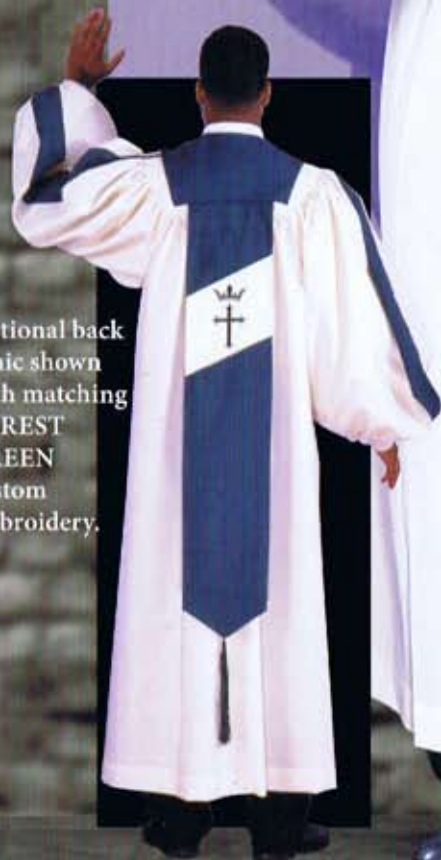

REGAL is a name that truly fits this stately choir gown. Available in a variety of colors and fabrics the REGAL features a double "cross over" front yoke with a velcro closure providing a seamless panel for embroidery or distinctive look. Fluted across back and across shoulders these gowns have full front pleated panels with concealed zipper. The REGAL's handsome tunics hang down the front. An optional back tunic is available for additional enhancement of your gown. Diagonal panels on both tunics allow for custom monogramming or embroidery for your group.
